) APPLICATION

ENTERED

CLERK, U.S. DISTRICT COURT
CENTRAL DISTRICT OF CALIFORNIA
BY DEPUTY

IT IS HEREBY ORDERED:

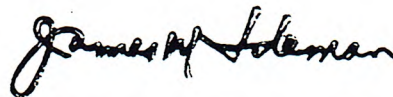

1. Plaintiffs' ex parte application for court order that clerk maintain possession of file pending determination of plaintiffs' motion for reconsideration is HEREBY DENIED.
2. On September 15, 1992 this Court DENIED plaintiffs' motion for reconsideration for two reasons. First, the date transcribed on this Court's Order transferring the case to Texas incorrectly reflected the date the Court rendered its decision to transfer. As stated in the September 15, 1992 Order, the date the transfer decision was rendered was August 24, 1992.

1 Second, defendants have withdrawn their renewed recusal motion.¹

2 3. Accordingly, there are no issues pending before this
3 Court. The case has properly been transferred to the Northern
4 District of Texas.

5 IT IS SO ORDERED.

22 ¹ The issue of whether defendants' renewed motion to recuse
23 was ever properly filed adds support to this Court's Order of
24 September 15, 1992. Defendants point out that the renewed recusal
25 motion was lodged, not filed, due to this Court's Order
26 transferring the action to Texas. Since leave was never granted
27 to defendants to file the recusal motion, the motion was never
28 properly filed. Plaintiffs' attempted "revival" of defendants'
recusal motion despite the fact that defendants were never granted
leave to file the motion, the case was transferred to Texas and
defendants have withdrawn their motion, is without merit and will
not be entertained by this Court.
